

Board of Directors Application Packet

Thank you for your interest in becoming a Director on the Assabet Co-op Market Board! We are so pleased you want to work on the initiative in such a substantive way. We are looking forward to getting to know you.

To help evaluate candidates, the Board has established a nominations process to identify candidates who demonstrate the appropriate skills and degree of commitment for Board service. Candidates who do not wish to complete this process, or who do not receive a Board nomination may still run for a seat on the Board by submitting a petition signed by at least twenty-five (25) Members in good standing. Candidate profiles and the ballot will indicate whether the candidate is (i) incumbent, (ii) Board nominated, or (iii) by petition.

Per the Cooperative's By-laws, candidates must be Members of the Cooperative, whose membership share has been paid in full. Candidates cannot be in competition with, or affiliated with any enterprise that is in competition with, the Cooperative. No more than one employee may serve at any given time, no more than one supplier may serve at any given time, and no more than one person from any immediate family or household may serve at any given time.

We are a Policy Governance Board! The time commitment as a Director ranges from 8-12 hours per month. **Though demanding at times, this work is highly rewarding and fun.**
